We hope they may perform often, and we always have an evening to spend in witnessing them.

The compliment of a Ball and Supper to the Fire Department, last Friday evening, was well deserved. The boys are always prompt in responding to the call to duty, and bravely battle the fire fiend whenveer he appears. By their well directed efforts at the fire Friday morning they saved our city from what at one time threatened to be an extensive conflagration. We say all honor to the Gallipolis Volunteer Fire Department.
